HIGHER EDUCATION

**University of New England**

***Ed.D. in Transformative Leadership in Education***

**2019-2022**

Dissertation:

Needs-Based Standards of Practice for The Use Of Forensic Genetic Genealogy In Investigations Of Violence Toward Marginalized Victims

**Full Sail University**

***MS in Instructional Design and Technology***

**2018-2019**

Area of focus: game-based instructional design for adult learners

**Full Sail University**

***BFA in Creative Writing for Entertainment***

**2014-2017**

Area of focus: educational game writing

COURSES AND CERTIFICATES

Gamification of Learning (LinkedIn Learning)

**2018**

Instructional Design: Needs Analysis (LinkedIn Learning)

**2018**

Learning Simple Android Development Tools (LinkedIn Learning)

**2018**

Organizational Learning and Development (LinkedIn Learning)

**2018**

Neuroscience of Learning (LinkedIn Learning)

**2018**

Learning Management Systems (LMS) Quick Start (LinkedIn Learning)

**2018**

The Rise of Superheroes and Their Impact on Pop Culture (EdX)

**2015**

AWARDS

Certificate of Appreciation, DNA Doe Project

**December 2018**

Certificate of Appreciation, United States Marshalls Service

**July 2018**

Course Director's Award, Psychology of Play

**February 2017**

Scholarship recipient, Invisible No More

**April 2014**

PROFESSIONAL EXPERIENCE

**Trans Doe Task Force**

**2018-Present**

***Co-founder, Director of Education***

Assistance in resolution of cases of LGBTQ+ missing and murdered persons, especially those who may have been Transgender or gender variant in life. Public and professional education on the needs and differences between Trans Doe cases and other Doe cases. Management of the only LGBTQ+ specific missing persons to unidentified comparison database for case resolution.

**Forensic Genealogy Training for Law Enforcement (FG4LE)**

**2018-Present**

***Co-founder, Lead Instructor, Instructional Designer***

Game-based education and training in forensic genetic genealogy for law enforcement professionals, forensic scientists, legal professionals, and genealogists. Lead instructor of in-depth internship program in which participants gain case experience by supervised work on active investigations.

**Redgrave Research Forensic Services, LLC**

**2013-Present**

***Co-founder, Lead Forensic Genetic Genealogist, Forensic Artist, Instructor***

Provision of forensic services including forensic genetic genealogy, facial approximations, photo analysis, training, and education. Collaboration with law enforcement agencies and forensics professionals in the identification of unidentified decedents and perpetrators of violent crimes.

<p><b>DNA Doe Project</b>  <b>Training Coordinator</b>  Design, implementation, and facilitation of trainings for forensic genetic genealogy for law enforcement agencies. Training and enrichment for nonprofit volunteers to improve skills and methodologies.</p> <p><b>Team Lead, Case Manager</b>  Organization of group research, communication with law enforcement agencies, compilation of findings reports, information security, media interaction.</p> <p><b>Forensic Genetic Genealogist</b>  Assistance with the identification of unidentified John and Jane Does using DNA and forensic genealogy.</p>	<p><b>2018-2019</b></p>
<p><b>FamilySearch</b>  <b>Virtual Records Operations Center Volunteer</b>  Organization, cleanup, and analysis of digitized family history records in preparation for indexing for online searching availability in both English and Danish.</p>	<p><b>2016-2018</b></p>
<p><b>Step By Step English</b>  <b>Conversational English Mentor</b>  Conversational English mentoring for a small group of English language students in Caruaru, Brazil via teleconference. Facilitated practice of vocabulary, grammar and topics that students learned in class using games and storytelling.</p>	<p><b>2015</b></p>
